

**Highway Department Brief
For the Month of November 2010**

1. Activity for the Month

- a. All equipment operational. Front Plow head gear will go on this week.
- b. New dump truck funding for 2011?
- c. Recreation Building hot water has been turned off.
- d. 1 dump truck load of wood chips has been applied to the playground for a cost of 180.00, don't think we can put anymore in till spring.
- e. 2101 yards of sand put up for winter road use. Salt shed at 75% capacity with mixed salt/sand.
- f. Floating dock at boat launch removed on 26 October and stored.
- g. Archway at old school driveway will hopefully be removed this week.
- h. Pile of sand/clay removed from bus garage at old school, was to be used for baseball field years ago, not suitable for use now. We will use it for roadside fill.
- i. Three heaters inoperative in truck bay. Will try and get them repaired this week.

2. Problems during the Prior Month

None

3. Solutions to the problems

4. Problems that occurred that needed additional assistance from the board

5. Revenues received and expenses occurred

6. Anticipated expenses for planned projects

7. Violations noted

None

8. Possible litigation situations

None received

9. Contacts made and or correspondence sent

10. Capital expenses anticipated for renovations and or replacement of equipment

11. Number of participants in programs available and operated during the month

None

12. Long range funding suggestions and requests for funding of same

N/A

13. Possible solutions or alternatives to problems currently being addressed

N/A
