

## Sanitation Report- November 2010

Money taken in for the month of October was \$2245.00

Winshield on the Beam Mack was broken due to a bird hitting it on November 3rd. Winshield was replaced on the 4th.

Carol Hall and I have worked out on an agreement with Alfred Ayles to take the brush to his property for \$ 300.00. This agreement will be between the Recycling Department and Alfred.

Everything is going well in the recycling department- no complaints

Replaced the bar light on the pickup

## Water Sanitation

Fire Hydrants in both districts were flushed on Friday, October 29th

Turning off water every Friday

Parts needed: fittings, couplings, "O" rings, gaskets and marker stakes

Marker stakes need to be purchased for all of Distirct #2 and replace in District #1. need to address to property owners not to remove stakes due to the fact we need to find shut-offs in the winter.
