The Town of Henderson is seeking volunteers for the NY Forward committee. The NY Forward committee is focused on revitalizing the downtown hamlet area.

The purpose of the NY Forward state program is to invigorate and enliven downtowns in New York's smaller and rural communities—the type of downtowns found in villages, hamlets and other small, neighborhood-scale municipal centers.

See the below website location for a copy of a previous application prepared by the committee:

https://www.townofhendersonny.org/ny-forward.html

Please email your letter of interest to the town board (davepoulintownboard@gmail.com) or drop off a hard copy with the Town Clerk.
