Reference: Jefferson County Bundle Bridge Replacements; Project Identification Number (PIN) 7SUP.02

Dear Neighbor,

The New York State Department of Transportation (NYSDOT) has initiated a project to replace seven (7) structures on Routes 12E and Route 3 in Jefferson County. Stantec Consulting Services has been contracted by the NYSDOT to progress the design of the project and to develop the construction documents necessary for completion.

The purpose of this letter is to provide you general information about the project and inform you of upcoming public information meetings for the project.

Project Description

The project proposes to replace six (6) bridges and one (1) large culvert with seven (7) new bridges across Jefferson County. The 7 locations are located along the corridors of NY Route 12E and NY Route 3 and are as follows:

- Location 1 – NY Route 3 over Little Stony Creek, Town of Ellisburg
- Location 2 – NY Route 12E over Tributary to Chaumont Bay, Town of Lyme
- Location 3 – NY Route 12E over Kents Creek, Town of Cape Vincent
- Location 4 – NY Route 12E over Perch River, Town of Brownville
- Location 5 – NY Route 12E over Shaver Creek, Town of Lyme
- Location 6 – NY Route 3 over Mill Creek, Town of Hounsfield
- Location 7 – NY Route 3 over Stony Creek, Town of Henderson

Public Information Meetings

Two (2) public information meetings will be held to share information about the project, provide the opportunity for you to ask questions, and share comments and concerns regarding the proposed improvements. Each meeting will begin with a presentation of the project and be followed by an informal open house to view displays and talk to representatives from NYSDOT and Stantec Consulting.

Public Information Meeting #1 (NY Route 3 locations)

Date: Tuesday, January 10th, 2023, 6:00 PM to 8:00 PM. A formal presentation will begin at 6:00 PM followed by an informal open house.

Location: Henderson Fire District Building/Community Room, 8939 NYS Route 178, Henderson NY, 13650

Topic: Will provide a project overview and discuss the specific details for the project locations along NY Route 3.

Public Information Meeting #2 (NY Route 12E locations)

Date: Thursday, January 12th, 2023, 6:00 PM to 8:00 PM. A formal presentation will begin at 6:00 PM followed by an informal open house.
