The application will be denied unless the applicant has proven his/her case.

Town Board Resolution adopted September 10, 1992 - NOW, THEREFORE, BE IT RESOLVED, that the Town of Henderson hereby agrees that the following actions shall be considered to be of a local rather than of inter-community or county-wide concern and shall therefore be exempt from referral to the County Planning Board pursuant to General Municipal Law, Section 239m: All area variance for lot size or lot width, if the required lot line setbacks can still be maintained; All single and two-family residential set-back variances (including those for manufactured homes, modular homes) unless the requested setback is adjacent to either a State or County property line, exclusive of State or County highways; All front, rear, and side lot line set back variances for accessory structures (i.e. garages, sheds, decks, etc.) unless the requested setback is adjacent to either a State or County property line, exclusive of State or County highways; All use variances for single and two-family residences; All use variances for home occupations.

The hearings shall begin at the designated day, time and place as advertised. A presentation of the project will be made. After the presentation, written correspondence will be identified and read. Thereafter public comments will be entertained. All those who wish to speak must sign in. There will be a limit of three (3) minutes. You will be called in the order you signed in. All comments should be preceded by the person giving their name and general address. There will be no interruptions or cross-conversations in the audience.

If one or more Board member(s) is/are absent all applicants are offered to wait for a full Board if they are more comfortable or may decline the offer.
