A case presented to the Zoning Board of Appeals for an interruption of a Zoning Law by Killius Marine Properties, Inc. required more information from previous case that was heard by the Planning Board and guidance from the Town's Attorney. Planning Board, Zoning Officer, Eric Sheldon and Town Attorney, David Renzi offered information from their files and briefed the Board as to the steps that were taken.

Eric Anderson representative from Henderson Fire Department asked both Boards to recommend that people on private roads speak with Fire Department Chief about what is recommended for rescue equipment to get through safely on private roads.
